

# LOGOLY STATE PARK NATURE NOTES

Even brief observations provide incredible insights and memorable moments in nature at Logoly State Park. Use this sheet to focus your thoughts and unlock unexpected details.

Explorer Name	Date: / /
Weather Conditions	Time: :

Describe the habitat, what the surrounding area looks like...

---

---

---

---

---

---

Draw or describe something that you see...

Any interesting sounds? Try to describe them below. For example, a Carolina wren's song sounds like it's singing "cheeseburger, cheeseburger, cheeseburger."

---

---

---

---

Your observations are important and we want to hear about them. Visit the park or contact the park to share your "Nature Notes".

*In every walk with nature one receives  
far more than he seeks.*

– John Muir

*Naturalist and Early Advocate for  
Wilderness Preservation in the U.S.*

Logoly State Park, Arkansas's first environmental education state park, protects and interprets the dynamically diverse ecosystem of Arkansas's West Gulf Coastal Plain.
