

SCAVENGER HUNT

VILLAGE CREEK STATE PARK

Are you game for a scavenger hunt? This hunt reveals the many things that make this park a special place. Because Village Creek State Park is here to conserve the natural, cultural, and historical resources of Crowley's Ridge, there is always something new for you to discover.

Many of our guests come for specific reasons—some camp, others fish or hike—but there are so many more things to do here. Complete this scavenger hunt alone or invite others to make it a competition. Afterward, use it to help you plan new adventures. No matter how many times you visit, there is always something new to discover at Village Creek State Park.
